Small Act Green Impact

Walk or bike to work. This saves on gas and parking costs, while improving your cardiovascular health and reducing the risk of obesity.

TERRE will be a part of COP24, Katowice

TERRE will be participating in the 24th session of 'Convention of Parties' in Poland from 2nd Dec - 14th Dec 2018. TERRE will interact with the various international organisations at booth number 94 and participate in the side events of Indian Pavillion. Stay posted !!

TERRE is now partner with Earth Champion

On 28th November 2018, TERRE signed MOU with Earth Champion Foundation, a UK based organisation. Earth Champions invites the community to nominate the unsung heroes who have been doing outstanding work in the various fields and areas of environment without being recognised. For all these amazing individuals, TERRE and Earth Champion Foundation will launch 'Earth Champion Award' in the month of January 2019 to make their stories heard and acknowledged.

Osprey

(*Pandion haliaetus*)

Purbasthali, Burdwan, West Bengal, India

The Osprey or more specifically the Western Osprey (*Pandion haliaetus*) — also called sea hawk, river hawk, and fish hawk — is a diurnal, fish-eating bird of prey with a cosmopolitan range. It is a large raptor, reaching more than 60 cm (24 in) in length and 180 cm (71 in) across the wings. It is brown on the upperparts and predominantly greyish on the head and underparts.
