### 1.Introduction

An Initiative of TERRE Policy Centre to keep children busy and Entertained during this COVID-19 lockdown TERRE has conducted online Competition for age group 6 to 18 Year.

Today the whole world is suffering from COVID-19 pandemic. 'Stay home Stay safe' is compulsory during lockdown for all citizens of the country. The clear effects of the coronavirus observed on children's education, social life and physical and mental health. A child needs to engage in indoor activities to stay happy and relax. Considering the current situation, E- competition has been organized by TERRE Policy Centre with the support of TATA motors Vasundhara. The E competition was launched on 19<sup>th</sup> April 2020 and was open till 15<sup>th</sup> May 2020. It was an online competition for students and children of age group 6 To 18, where student have been asked to participate in some indoor activities by being at home with available sources and submit the activities through mail and WhatsApp. TERRE initiated this competition with the objective of stoking curiosity & making participation fun and interesting for all the participants so that children will get entertained as well as educate themselves during this lockdown period. E-competition has been receiving an overwhelming response from students throughout India.

Competition was open for total 6 activities which are like below:

1. **Drawing Competition on “Corona, Environment & I (Me)”**
2. **Poem competition**
3. **Best out of waste**
4. **Essay competition on “Life through the window during lockdown”**
5. **Picture competition on “Best time utilization with family during lockdown”**
6. **“My inspiring story” competition on helping hand during the lockdown.**

**Total 1950** Participants was sent there activities for the Competition. Among of the received activities our Juries were Segregated the activities as a TOP 10 Participants for each activity. Also Each participant were awarded by online participation certificate.
